

# ES Remote Learning Plan: For Families

During the school closure, Chicago Public Schools' goal is to provide students with remote learning opportunities to help minimize instructional loss, provide students with routines and structures to help stay engaged and connected, and ensure that students are healthy. Chicago Virtual Charter School will meet these goals by implementing the plan below.

This document summarizes our plan by telling you:

- 1) The minimum amount of time your student should spend in structured academic activity.
- 2) How you can access learning materials digitally.
- 3) What key learning platforms your student will use.
- 4) How your student can access their teacher, and when they should expect feedback on work submitted.
- 5) How your student can access learning materials if you don't have easy access to a computer.
- 6) How we will communicate with you as a school, along with how your student can get support during the school day if they are stuck on an assignment.

## Non-Digital Remote Learning Plan

As a hybrid school, the transition to fully operate remotely, was a seamless process. Upon enrollment, parents were required to have access to the internet; however, if the need arises parents can reach out and special arrangements can be made.

## School Communication Plan

**Frequency:** School website is up to date daily with student curriculum in Genius. Weekly Communication from administration sent out on Friday (Principal) and Monday (Interim, CEO). Bi-weekly administrative professional development and administrative learning community meetings will also be hosted virtually.

**Communication Tools:** Teachers communicate weekly via email with updates, enrichment activities, websites and links for students to do. The email includes any information communicated by administration. As needed, Administrative Robo-Calls to families, staff and learning community meetings hosted via Zoom platform.

## School Day Student Support Plan

**Digital Office Hours:** We will have a staff member available via email and Zoom during all hours of the school day 8 to 4. Students can use the Zoom link provided by the teachers to access during school hours.

# ES Remote Learning Plan: For Families

**Non-Digital Office Hours:** Teachers are available by phone during all hours of the school day 8 to 4. Students or Parents can call their teacher to ask any questions they have for school staff.
